Motion for SEAL

I previously requested in the bottom Court for a SEAL. I claim pauperis, because I didn't have enough income and still don't. I work straight Commission. I'm requesting for there to be a SEAL on this case for these reasons. I was harassed by phone, where my number was out for public viewing along with my address and a video made on the internet about how to get to my house. Also, I've received sexual, distasteful items through my mail in my mailbox. I've been stalked and open information has been exposed about me on the internet. For my privacy, sanity and security, I'm requesting the courts to seal any future info in relations to this case for ~~the~~ previous given reasons. I'm thanking the courts in ADVANCE for cooperation in this matter.

Sincerely George ALEXANDER YARFD
